*“I will absolutely be recommending this book to our
graduate students exploring their career options—I’d love
to see it on the coffee tables in department lounges!”*
—Robin B. Wagner, Ph.D., Former Associate Director of
Graduate Career Services, University of Chicago

The academic job market is fickle and slow. Why not keep your options open by exploring careers outside academia while you wait? Learn about alternatives to adjuncting and how to avoid the job-hunting mistakes that graduate students most frequently make.

Basalla offers real-life examples and practical step-by-step advice for M.A.’s and Ph.D.’s seeking fulfilling work outside academia.
