FISKE HANLEY II

1944 - 1945

Biography/History

Fiske Hanley II graduated and received a degree in Aeronautical Engineering from Texas Technology University in 1943. He served in the Army Air Force as a Flight Engineer during World War II and was posted with the 504th Bomb Group in the Pacific Campaign and a Japanese POW. He is now a retired Aeronautical Engineer, and author/historian of these two volumes.

Scope and Contents

This collection contains two bound volumes. The first volume covers the *History of the 504th Bomb Group (VH) in World War II* and the second volume is *The 20th Air Force Album*.
