ANNOUNCEMENT FOR THE SESSION OF 1855-'56.

THE Fifth Annual Course of Lectures in this Institution will commence on Monday, the 29th of October next, and continue until the first of the ensuing March.

A *Preliminary Course* of Lectures, free to all students, will be given by the Professors, commencing on the first Monday of October. Five Lectures will be given daily, on subjects not fully discussed in the regular session.

The Anatomical Rooms will be opened for students on the first Monday of October, under the supervision of the Professor of Anatomy. The facilities for the study of practical Anatomy are not surpassed anywhere.

The new and spacious Museum Hall will be handsomely fitted up and furnished by the opening of the ensuing session.

A Clinique has been established in connection with the University, at which operations are performed, and cases prescribed for, and lectured upon, in the presence of the Class.

Candidates for the degree of *Doctor of Medicine* must have attained the age of twenty-one years. They must have attended two full courses of Lectures in a regular and accredited School of Medicine; the last of which must be in this Institution. They must write an acceptable Thesis, and deposit it with the Dean on or before the first day of February, on some Medical subject of their own selection. They must, at the time of receiving the degree, acknowledge the right of the Faculty to revoke it, if they engage in irregular or unprofessional practices.

FEES.

The Fees for a full course of Lectures amount to	\$105 00
Matriculation Fee (paid once only)	5 00
Practical Anatomy,	10 00
Graduation Fee,	25 00

Good board can be procured at \$3 per week. Further information can be obtained by addressing

J. BERRIEN LINDSLEY, M. D.,

Dean of the Faculty.
